The following questions will be used in team placement decisions. Please check ALL ages & levels on which you would be willing to participate. Marking a higher competitive level will not assure that a player is placed on such a team, those decisions will be based on the player performance at assessments. **Players are not guaranteed to be placed on a team.** If the following selections are overly restrictive and we do not have a team that matches a players preferences, they will not be placed on a team. Similarly, if a players skill level does not match with that of a selected team that does exist, they will also not be placed on a team. Players will generally not be allowed to select further options after the assessment. **In the event that a player does not get placed on a team, the assessment fee will be returned. If a player is placed on a team within their marked selections below and decides to not participate, the fee is forfeited.**

Assessment decisions will be posted on the club website (www.nnmvolleyball.org) by Tuesday, Nov. 17. Players then have until Nov. 20 to register with USA Volleyball (instructions will be on the website, this MAY not apply to local teams) and commit with an additional payment of \$200 or the difference between the club assessment fee and the total estimated cost. The remainder of the estimated cost is due before the first practice. Any exceptions must be approved by the board.

Players should list all known conflict dates or potential conflict dates when tournaments can not be attended: (Local and Northern-NM teams need to list Sunday conflicts only)

CHANGE FROM LAST YEAR: For overnight stays, parents will be responsible for bringing their player to and from the event venue. A designated representative can be authorized to drop off your daughter. For safety, that representative may be asked to present ID for both dropping off and picking up your child. If your child does not arrive with someone who has written pre-authorized by the parents filed with the club, they cannot be signed in and will be unable to participate as we would be unable to release them at the end of competition to an unauthorized individual. Parents are responsible for all hotel & travel costs for their player.

The year, we will also begin imposing a fine for players who are late to the tournament venue. These fines are necessary as the club is fined by SURVA when a team is not ready to go on time or cancels within 72 hours of a tournament. This is an effort to pass those costs onto those that are late rather than being absorbed by the club as a whole. Coaches must go to coaches meetings to sign in their teams and it is important that the team is present before they do so. The arrival times will be set by the coach for your team. A progressive fine system will be imposed with \$25 for the first time, \$50 for the second, and \$100 for all subsequent times. Players who do not show up to a tournament or decide to not attend within 72 hours of the event will be fined \$100. A fine of \$100 will also be imposed for players that leave before a teams work assignment is done or for not checking your player out before leaving. These will be imposed based on the sign-in sheet after a tournament. Exceptional circumstances can be approved by the team parent due to illness, injury, car trouble, and family emergency and will be at their discretion (in ALL cases communication MUST be made to the team parent BEFORE the scheduled arrival time and should be done as soon as possible). These fines must be paid to a board member before the player can participate in any future practices or tournaments (They will be allowed to participate that day). Fines may be appealed to the club board.

Each team will have one USA Volleyball registered chaperone that will help supervise the team AT THE EVENT VENUE.
